

Sahara Care: Taking care of you and your family

As of 1st April 2015, all employees of Sahara Care (under the age of 65) are now eligible for life insurance cover.

The cover, provided by Unum (via CHC Wealth Management), will provide the beneficiaries of employees with a lump sum of up to three times their basic annual salary, should they pass away prematurely.

The policy will cease to remain active if the person leaves or retires from Sahara Care or works beyond the age of 65.

Those who remain on a prolonged temporary absence due to illness or injury will retain their right to cover for up to three years from their initial date of leave.

This new employee benefit recognises the excellent service provided by the staff at Sahara Care.

If you would like to know more about the policy, please contact Darren Turner on 020 7715 9006 or email dt@lathamtrust.com

Unum is authorised and regulated by the Financial Conduct Authority for investment business.
